

NEW JERSEY PROTECTIVE COATINGS AND CORROSION EXPO

Thursday, October 26, 2017

DISTRICT COUNCIL 711
9 Fadem Road
Springfield, NJ 07081

The Protective Coatings and Corrosion Expo will focus on protective coatings and corrosion prevention in the Water, Bridge and Structural Steel Industries. The Expo will provide continuing education to the engineering community, operations and maintenance personnel.

Continuing Education credits approved by the NJ State Board of Professional Engineers and Land Surveyors.

The NJ Protective Coatings and Corrosion Expo is an interactive instructional program developed to provide those involved in industries affected by costly corrosion issues an opportunity to learn about industry best practices. The Expo focuses on the importance of protective coatings and is an excellent source of continued education for Engineers, Architects, Specification Writers, Facility Owners and their Operations and Maintenance personnel.

Registration

Registration is free and includes complimentary breakfast, lunch and parking. The Expo will be held at 9 Fadem Road Springfield, NJ.

Schedule

9am – 10am	Breakfast
10am – 12noon	Presentations
12noon – 1pm	Lunch & Exhibits
