

NEW JERSEY PROTECTIVE COATINGS AND CORROSION EXPO

Thursday, September 26, 2019

The NJ Protective Coatings and Corrosion Expo is an interactive instructional program developed to provide those involved in industries affected by costly corrosion issues an opportunity to learn about industry best practices. The Expo focuses on the importance of protective coatings and is an excellent source of continued education for Engineers, Architects, Specification Writers, Facility Owners and their Operations and Maintenance personnel.

Registration

Registration is free and includes complimentary breakfast, lunch and parking. The Expo will be held at 9 Fadem Road Springfield, NJ.

Schedule

8am – 9am	Breakfast
9am – 12noon	Presentations
12noon – 1pm	Lunch & Exhibits

Continuing Education

There will be lectures approved by the New Jersey State Board of Professional Engineers and Land Surveyors that will provide you with continuing education credits. Attendees will receive a Certificate of Attendance.
