Pipe Location

**MALÅ EASY LOCATOR PRO**

**LOCATE NON-METALLIC, PLASTIC,  
TERRACOTTA, CONCRETE AND NON-TONEABLE  
FIBER PIPES AND BURIED VALVE BOXES.**

# MALÅ EASY LOCATOR PRO

## EXAMPLES:

**Ocean County:** A beach town utility needed to locate sewer laterals leading into properties without digging.

**Monmouth County:** A public works department needed to locate plastic lid valve boxes in a baseball field.

**Cape May County:** A utility wanted to re-verify the location of stormwater conduit.
