Atlantic City, NJ 08401**

Exhibitor Information

About the New Jersey Water Association

The New Jersey Water Association (NJWA) is a statewide, non-profit association of water and wastewater service providers. We work with, and provide education for, operators, managers, engineers and all others who are responsible for the production and delivery of safe drinking water, and the collection and proper treatment of wastewater throughout the state.

Our extensive training program provides half-day and one-day seminars that are conveniently located for water professional throughout New Jersey. We cover a wide variety of subjects that focus on the technical, managerial and financial knowledge and skills necessary for efficient system management and operation.

For More Information

The NJWA website address is www.njwater.org. This site contains information about NJWA membership, governance, activities and events. Complete information on the 2023 Annual Conference is also available on the website.

Why Exhibit with the NJ Water Association?

Our 2023 conference will provide excellent opportunities for you to present your products and services directly to the people who use them and who make purchasing decisions.

In addition, the NJWA conference provides opportunities to:

- *Network with agency representatives, system managers and operators*
- *Attend regulatory training sessions which will help you anticipate future industry needs*
- *Increase your prominence and demonstrate your expertise by instructing*

***Enhance your brand exposure by becoming a Gold Sponsor,
or by sponsoring one or more of our conference events.***

Exhibitor Information

Attendance Profile

Our 2022 Conference was a great success. We had over 350 in attendance, which included licensed operators, managers, regulators, board members and industry representatives.

Exhibitor Profile

We welcome all exhibitors. Typically, NJWA conference exhibitors are representatives of public and private businesses, and Federal and State agencies. Our exhibitors sell water and wastewater equipment and supplies, and provide professional services related to engineering, utility management, data management, legal services, laboratory services and funding.

Instructor Profile

The New Jersey Water Association Annual Management and Technical Conference is a premier training forum for water and wastewater industry operators, managers and decision makers. We invite professional presentations on all industry-related topics. To request an opportunity to present, simply fill out and submit the Call for Presentations application below.

If your company is not already a member of the NJWA, we encourage you to join!

NJWA MISSION STATEMENT:

"To enable our water and wastewater membership to safeguard the health of their users by providing leadership and professional services."

INFORMATION & GUIDELINES FOR PRESENTERS

General Guidelines

The New Jersey Water Association Annual Technical Conference is a premier training forum for water and wastewater industry operators, managers and decision makers. The Association invites professional presentations on all suitable topics related to the industry. Class descriptions and speaker names will be printed in the Conference Program. Eligible classes will be assigned New Jersey Training Contact Hours (TCHs). Most classes are scheduled for 30-60 minutes. Instructors should be prepared to begin their class on time and fill the entire block allotted. Questions from the attendees are encouraged. NJWATER reserves the right to accept or reject any proposed class or instructor.

Class Title

The title for your presentation should be a concise, straightforward description of the primary content of the class. Avoid long or complex class titles.

Class Description

The class description will be printed in the conference program and should give attendees an overview of the major topics of your class. Descriptions should be between 75 – 100 words. Longer descriptions may be submitted but will be edited due to space constraints. Electronic submissions are required. Please email your description to info@njwater.org

Instructor Biography

The instructor biography will be used when we introduce you. The biography should give attendees an overview of your relevant experience. Biographies should be between 75 – 100 words. Longer biographies may be submitted but will be edited due to space constraints. Electronic submissions are required. Please email your biography to info@njwater.org

Handouts / Materials

If you choose to provide materials, please consult with us regarding the number of copies. Conference attendees are free to select the classes they wish, so actual attendance may be.

Class Procedure

Your classroom will be set up according to the audiovisual requirements you indicate on the Instructor Information Form. All classrooms have a projection screen and a microphone. Your presentation will be introduced by a conference host. This person will also pass around a class sign-in sheet, and evaluation forms. Please remind participants to fill out evaluation forms at the end. Any questions or requests regarding certification credits should be referred to a NJ Water employee.
