Exhibitor Information

About the New Jersey Water Association

The New Jersey Water Association (NJWA) is a statewide, non-profit association of water and wastewater service providers. We work with and provide education for, operators, managers, engineers and all others who are responsible for the production and delivery of safe drinking water, and the collection and proper treatment of wastewater throughout the state.

Our extensive training program provides half-day and one-day seminars that are conveniently located for water professional throughout New Jersey. We cover a wide variety of subjects that focus on the technical, managerial and financial knowledge and skills necessary for efficient system management and operation.

For More Information

The NJWA website address is www.njwater.org. This site contains information about NJWA membership, governance, activities and events. Complete information on the 2025 Annual Conference is also available on the website.

Why Exhibit with the NJ Water Association?

Our 2025 conference will provide excellent opportunities for you to present your products and services directly to the people who use them and who make purchasing decisions.

In addition, the NJWA conference provides opportunities to:

- *Network with agency representatives, system managers and operators.*
- *Attend regulatory training sessions which will help you anticipate future industry needs.*
- *Increase your prominence and demonstrate your expertise by instructing.*

***Enhance your brand exposure by becoming a Gold Sponsor,
or by sponsoring one or more of our conference events.***

Exhibitor Information

Attendance Profile

Our 2024 Conference was a great success. We had over 350 in attendance, which included licensed operators, managers, regulators, board members and industry representatives.

Exhibitor Profile

We welcome all exhibitors. Typically, NJWA conference exhibitors are representatives of public and private businesses, and Federal and State agencies. Our exhibitors sell water and wastewater equipment and supplies, and provide professional services related to engineering, utility management, data management, legal services, laboratory services and funding.

Instructor Profile

*The New Jersey Water Association Annual Management and Technical Conference is a premier training forum for **water and wastewater industry operators, managers and decision makers**. We invite professional presentations on all industry-related topics. To request an opportunity to present, simply fill out and submit the Call for Presentations application below.*

If your company is not already a member of the NJWA, we encourage you to join!

NJWA MISSION STATEMENT:

"To enable our water and wastewater membership to safeguard the health of their users by providing leadership and professional services."
